GARLETON LODGE RECEIVES AWARDS

Well, here we are one year on in our journey – a real milestone – one which coincides with us not only receiving our Visit Scotland accreditation but our guests have now voted Garleton Lodge as the No.1 Place To Stay in Haddington!

We really can't thank our guests enough for their feedback, reviews and kind words – all amazing!

Over the past few weeks we have also been delighted to read reviews by The Edinburgers and proud to be awarded a MUST Stay and FEATURED MUST by Must Visit Scotland following their stay.

You can read both in full on our website.

Our 1st Anniversary Wine Dinner with Special Guests

In September, we were delighted to host our first Wine Dinner to celebrate our 1st Anniversary – in just 12 months we have completely refurbished Garleton Lodge and welcomed many guests both local and visitors to East Lothian.

In addition to many friends and partners that have worked with us on our journey, we also had a surprise special guest – the ASI Scottish Open Trophy – popular amongst guests and staff alike!
