## Afternoon Teas at Garleton Lodge

Following the success of our Charity Afternoon Tea in February - which raised £1,000 for our chosen charity (Help Luke) - our Special Mothers' Day Afternoon Tea was so popular we hosted two sittings enjoyed by 50+ guests!

## **Spectacular Views—Sunrise, Sunset & Wildlife ...**

We are really privileged at Garleton Lodge to have spectacular 360 degree views across the Firth of Forth, Edinburgh and the East Lothian countryside.

All guest rooms have a view and our restaurant offers views stretching from the Lammermuir and Pentland Hills, Edinburgh's skyline and bridges and across the Forth to the Fife coast.

This provides guests with a fantastic vantage point to get their bearings whilst planning the day ahead.

For golfers, numerous courses can be spotted including many that are part of Scotland's Golf Coast Road.

Over the past few weeks, we have been treated to some

incredible sunsets - and sunrises for those up early enough!

Take a look at the gallery on our website for some stunning photographs.

Garleton Lodge also offers guests an unparalleled opportunity to watch local wildlife including deer, hares, rabbits, stoats and numerous wild birds including many different birds of prey.

Binoculars are provided!
