VOLUME 2 - ISSUE 1

SPRING 2018

## KEEP IN TOUCH WITH US AT GARLETON LODGE

Last year, we published four Newsletters and we plan to do the same this year. If you missed any, all back issues can now be found in the News and Reviews section on our website. We hope that these Newsletters are a useful way to keep our guests up to date with news, events and offers at Garleton Lodge. Between issues, please keep a look out for us on social media—Facebook, Twitter and Instagram.

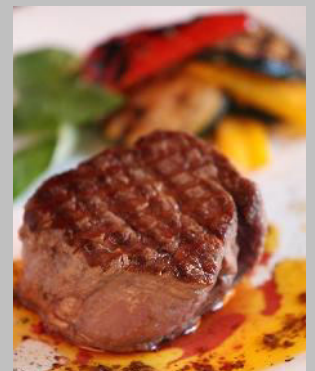

New data protection regulations coming into force shortly mean that we will not be able to send you updates unless you agree to receive them so please respond to the covering email and confirm your preferences.

Ahead of the launch of our Cookery School — towards the end of the year—Angela will be adding a food blog to our website. Check this out for tips and tricks, ideas—and maybe a closely guarded recipe!

## Wine and Dine at Garleton Lodge — Diary Dates

Our February and March Afternoon Teas were fully booked — including both Afternoon Tea and High Tea sittings on Mothers' Day. Watch out for the release of future dates— or why not add your name to our waiting list?

Also, we will be hosting our first Steak and Wine Dinner on 14 April — steak for two and a bottle of wine (£45.00) with starters and desserts also available. As part of our opening offer we will provide a shuttle to and from Garleton Lodge for parties of six or more free of charge. Book now!
