VOLUME 1 - ISSUE 2

SUMMER 2017

## GARLETON LODGE TAKES CENTRE STAGE

We can't believe that it is already time for Issue 2 of our Newsletter!

In April, we completed our new Loft Suites so we now have six rooms—and we needed them all much of the time during a very busy Summer. We have now hosted guests from Spain, Sweden, USA and Australia as well as from all over the UK!

Many of our guests have stayed with us while playing some of the excellent golf courses in East Lothian—

Scotland's Golf Coast —and Garleton Lodge is also becoming a firm favourite locally as a venue for special events including birthday dinners, family gatherings etc. If you are planning a celebration why not come to Garleton Lodge?

## Golf in East Lothian— Scotland's Golf Coast

East Lothian offers no less than 22 golf courses — all within 20 minutes of Garleton Lodge and many located along Scotland's Golf Coast offering an unrivalled collection of links golf courses.

As Members of the East Lothian Golf Tourism Alliance, Garleton Lodge welcomes golfers and provides golf facilities including club storage, drying room, practice bunker and putting green.

*We offer our guests an excellent choice of food using mainly locally sourced ingredients and our bar also stocks locally made drinks so that you can enjoy the best that Scotland and East Lothian has to offer during your stay. Our restaurant offers spectacular views across the Firth of Forth, Edinburgh and East Lothian countryside.*

*Garleton Lodge offers a great location for your weekend getaway or longer stay and we provide an ideal base for golf parties playing the numerous courses on Scotland's Golf Coast as well as a unique venue for your private party or special celebration.*

## Golf and Whisky – A Winning Combination!

In July, Garleton Lodge was chosen by the North Florida Junior Golf Team as their headquarters for the week while playing a series of competitions against the East Lothian Junior Golf Team.

Can you spot a future star here?  
Staying with golf, we are delighted that Garleton Lodge

has been selected as accommodation partner by Links Golf Cup for golfers playing in

both the East Lothian Links Golf Cup and Links Golf Salver in March/April 2018.

Good practice for us ahead of the ASI Scottish Open and Ladies Scottish Open competitions being held at Gullane in July 2018!

Garleton Lodge has now been accredited by The Whisky Ambassador – in

recognition for our knowledge and expertise as well as our efforts to introduce our guests to Scotland's national drink!

And while we are on the subject of local drinks—check out the NB Gin video on YouTube filmed at Garleton Lodge and featuring one of our amazing sunsets!
