GARLETON LODGE TURNS GOLD!

Visit Scotland have added a Gold Award to our accreditation “in recognition of [our] business being one which consistently achieves the highest levels of excellence within their Visit Scotland star grading ... excelling in the areas of customer care and hospitality”.

TripAdvisor have also awarded us with a Certificate of Excellence. Earned over a period of time by businesses that “consistently deliver excellent service as shown by great guest reviews” we are really grateful to all our guests that have taken time to provide a review. This also helped us achieve the No.1 Best Value Place to Stay in East Lothian on TripAdvisor.

New Wine List — ‘Battle of the Grapes’

Time for some changes to the wine list— but which wines to choose? Simple — create a sumptuous four course menu, challenge your two wine suppliers to present their recommended wine for each course and then ask your guests to vote!

Our thanks to Elise Jaubad (Alexander Wine) and Paul O’Donoghue (Alliance Wine) for presenting some excellent wines—and huge thanks to our 24 guests that attended the ‘Battle of the Grapes’. Paul beat Elise by the narrowest of margins — but the real winner is the wine list—and food menu — both now with some excellent additions.

Check our website for the full ‘Battle of the Grape’ menu and wine matches.
