LOOKING FORWARD TO 2018

We are delighted to announce our expansion plans for the coming year— a Cookery School, Al Fresco Cocktail Bar & Spa, a new Two-Bedroom Suite and enlarged residents' lounge and bar areas— lots more reasons to stay and relax at Garleton Lodge!

Our plans have been submitted for planning consent and we expect to start work on the first of these projects in March ...

Whisky Galore at Garleton Lodge

Did you know that all rooms at Garleton Lodge are named after a distillery – one from each of the six whisky regions in Scotland? Each has a story or connection with us from our travels around Scotland. Competition was fierce but our new Suite (The Bothy) provides us with an opportunity to add more featured distilleries—and, of course, our usual complimentary dram in each room. Don't forget, we are always happy to arrange a tutored tasting – individual or small groups— or simply help you decide which whisky to sample from our selection of more than 50 malt whiskies. *Slainte Mhath!*
